In accordance with Section 8-5(n) of the Code of Miami-Dade County, any owner or authorized representative may seek an extension of the timeframes set forth in an Order of the Unsafe Structures Appeal Panel. Such request for a hearing to seek an extension must be in writing, directed to the Secretary of the Unsafe Structures Appeal Panel. The written request for extension must be received by the Secretary of the Appeal Panel prior to the deadline specified in the order. For example, in the event the Appeal Panel Order states that a permit must be obtained within a specified period, the request for extension of the deadline to obtain the permit must be received prior to the expiration of that specified period. If the same order provides a deadline for completion of the structure, the request for the extension for the deadline of completion must be received prior to the deadline for completion, provide that the applicant has complied with the permit deadline. In no event may the Appeal Panel grant more than one extension of time for each initial order.

To obtain an extension, the owner or applicant must demonstrate to the reasonable satisfaction of the Appeal Panel that the structure that is the subject of the Order is secure at the time the extension is sought and that the owner or applicant has made a good faith attempt to comply with the Order which has been impeded by changed circumstances or other circumstances outside of the owner or applicant's control. As a further condition of the extension, the owner or applicant must submit in writing, together with the petition for an extension, a written timetable for compliance with the substantive provisions of the Order and for completion of all necessary repairs. The Appeal Panel will limit its consideration of the petition to deciding whether the grounds for an extension have been satisfied.

The Unsafe Structures Appeal Panel also ordered that, if compliance is not obtained within the time periods stipulated above, then the Building Official is further instructed to proceed in accordance with Section 8-5 of the Code of Miami-Dade County. There will be no further notices or communication from the Unsafe Structures Appeal Panel regarding this case. **This document is recorded by the Building Official with the Clerk of the Circuit Court. This recording will constitute constructive notice to all concerned, as well as any subsequent purchasers, that a decision has been rendered by the Unsafe Structures Appeal Panel on the above referenced property.**

Repair or demolition permits, for property located at the above address must be obtained from the **Unincorporated Miami-Dade County Regulatory and Economic Resources Department, UNSAFE STRUCTURES UNIT, 11805 S.W. 26 Street, Miami, FL. 33175, (786) 315-2424. Please call this office before coming in for a permit or for further information on this matter.**
